

holocuren

miracle products for everyday living

A Hygienic Aid and Dental Hygiene Product

Promotes Healthy Gums
Soothes and Heals Sore Gums
Prevents Gingivitis
Discourages Plaque Bacteria
Prevents Oral Mucosa Disease
Heals Post Op Laser Wounds
Minimizes Mouth Infection
Promotes Wound Healing
Cleans Teeth
Freshens Breath

Antibiotic Qualities

From the rainforest comes the most important determinant of the propolis antibiotic qualities. Free of all toxic contaminants, heavy metals, pesticides and chemical fertilizers, propolis elevates the levels of effectiveness and potency used in the Holocuren Propolis Toothpaste.

Effectiveness

Propolis is effective in helping to build immunity and resistance toward bacterial infections, ulcers, viruses, stress, fungi and other harmful agents.

Ingredients

Brazilian Propolis
Tea Tree Oil
Natural Vegetable Glycerin
Sorbitol
Hydrated Silica
Calcium Glycerophosphate
Cellulose
MADE IN THE USA

Propolis is beyond explanation
Experience it and you'll see why

Origin of Propolis

Bees gather the sap from rainforest growth, remetabolize it with their own hormonal enzyme secretions and take it back to the hive where the substance is spread over the hive to protect the bees.
